

Institute for Law Enforcement Administration

Inclement Weather Procedure

In the event of adverse weather conditions necessitating either a delayed start or cancellation of class, a voice message will be posted on ILEA's main number greeting by **6:45am** on the day in question. That phone number is **972-244-3430**.

Regardless of any ILEA decision, course participants are encouraged to carefully evaluate road and weather conditions before attempting to drive to class.
